6. Our rules are designed to maintain the high quality of the information in the portal www.kotlyars.com. By following them you can avoid such consequences as changing the data of your company or its removal from the system.
7. This document is a legal document and creates liabilities associated with your use of the website services www.kotlyars.com. If the agreement is changed and these changes are unacceptable to you, you can stop using the Service.

Overview

1. The company's catalog contains information, texts, photos, design works, videos and other materials and products, including intellectual property rights, which are provided by the third parties, including the materials and works protected by copyright, registered trademarks and service marks and other intellectual property rights.
2. Materials, including any information posted on the website including, but not limited to information, reviews, photos and any other content left by users or visitors to the site, are designed for viewing in the personal and commercial purposes.
3. Any other use of materials or www.kotlyars.com is prohibited including copying, republication in other sites, translation, rewriting or any reproduction without the prior written permission of the site owner or other respective owners.
4. It is forbidden to cause damage, interfere or violate the rights of the third parties through the use of this site and the catalog's materials of the company.
5. It is forbidden to post information defaming the reputation or cause material and moral damage to any person or legal entity.
6. All materials posted or written by the users on www.kotlyars.com must comply with the laws of the State of Israel.
7. Fraudulent and illegal activities are strictly prohibited by Kotlyar's Auction. They can lead to the blocking of account and removal of information about the company from the Catalog.

Comments and complaints

8. Reviews (assessments) should reflect the personal views of their author. Reviews should not contain false information or statements, the accuracy of which can not be proved.
9. Comments containing approval that is not conformed by evidence, may be not published or removed from the site.
10. If you own a company and want to make a complaint to the review (assessment) that the user of the portal has left about your company, please follow these instructions:

- Send us a letter on email admin@kotlyars.com marked "Complaint" in the subject line.
- Describe that comment in details in your letter and why it does not suit you.
- Specify the link of your company page to www.kotlyars.com.

11. Please, read our rules before you post a comment or a photo:

- a text or a substantial part of it must not be entered with capital (big) letters
- profanity, rudeness and insults towards the company and its employees, including veiled in any form, should not be used in the text
- the text should not contain phone numbers, e-mail addresses and links to external resources
- any form of advertising should not be used in the comment.

Exemption from liability

12. By using the site, including, but not limited to writing reviews and comments on the site, the user is responsible for all materials he added to the site.

13. Administration is not responsible for your attempts to view the content of websites, links which are cited in any of the materials.

14. Administration does not guarantee and is not responsible for the accuracy that is contained on or distributed through this material, as well as for the accuracy of any of the goods and services advertised on the site.

15. The site is not responsible for the quality of products, services, information or other materials displayed on it, sold or obtained as a result of advertising, information or commercial offers.

16. You acknowledge that the use of www.kotlyars.com site, use of any materials shall be at your risk and site will not be responsible for any loss of data, loss of profits or other damages that occurred as a result of use website

17. Website makes every effort to ensure that the information contained on it is accurate, however, the site has no control over the accuracy of such information, does not give any guarantee to the accuracy of such information, is not responsibility for it and is not responsible for conformity, value, content, quality, the legitimacy of such information as well as for the observance of copyright in it.

18. If you find an error of information, the site will not be responsible for the results, damages or losses arising from such errors.

19. The site explicitly states the absence, no matter what guaranties there are, including guarantees for the commercial applicability of the goods or services corresponding to the goods or services to any particular purpose.

20. Site reserves the right to update or correct any error or inaccuracy in any text without any obligation. The site intends to update the information provided on the site, but still won't be responsible for any inaccuracy in this regard.

21. The website may contain links to other websites; these external websites are not under our control. We cannot be held responsible for such websites and cannot make any guarantees about them. We provide these links because we think they might interest you, but we do not monitor or endorse these other websites.

Access limitation

22. Administration of this site may decide to limit user's access to the site only if the administration will have a reason to believe that the Terms of Use are violated by the user.

23. Administration of the site is guided by the interests of the company in order to ensure a high business reputation and its rights to the protection of intellectual property contained on the website.

Instructions

1. To add information about the company to www.kotlyars.com, you should register the user as a legal entity or use a personal cabinet that has been already existed.
2. To appreciate the benefits of the service fully follow these recommendations:
 - Use the same logos and brand elements as in the marketing materials.
 - Enter the correct and complete address.
 - Describe the scope of the company, indicating as few categories as possible.
3. Administration reserves the right not to publish photographs of the company, if:
 - Their content is offensive, obscene or contrary to the laws of the State of Israel (including in terms of copyright).
 - Their content does not apply to the company on whose page they were published.
 - They do not have information value for site visitors.
 - There are other reasons that justly suspect moderators.
4. The page with data about the company can be created in case its employees contact the clients personally, and not only by phone and via the Internet.
5. To add and change information about the company, and also to confirm their authenticity is allowed only to the owners of organizations and their authorized representatives.
6. In your account you must specify the name of the company that is used in its branches and marketing materials, and by which it is known by customers.
7. Other useful information can be specified in the relevant sections but it can not be added to the company name.
8. Describe your company's address as accurately as possible. You can not use the subscriber box number or the location of a remote mailbox as an address.
9. Specify the web page and phone number of the company located at the specified address.
10. Use only phone numbers for which you can contact the company directly.
11. Classification of companies by field of activity and type of activity allows potential customers to find the right products and services easily.
12. Select the categories that most closely match your area of activity. Try to use as few categories as possible.
13. Do not select categories related to neighboring companies. For example, to the organization on the territory of which your branch is located.
14. Individual specialists who render services to the population and business can also be registered in the system.
15. For an individual specialist it makes sense to create your own page in the following cases:
 - He provides services to the public in his own name. Specialists in different companies can't create their own pages.
 - You can contact him at the specified hours at the specified address, and this address is confirmed.
 - Note that a specialist can have only one entry, even if he has several specializations.
